Benefits at a Glance

Total lifetime program committed capital to date

\$16.58bn

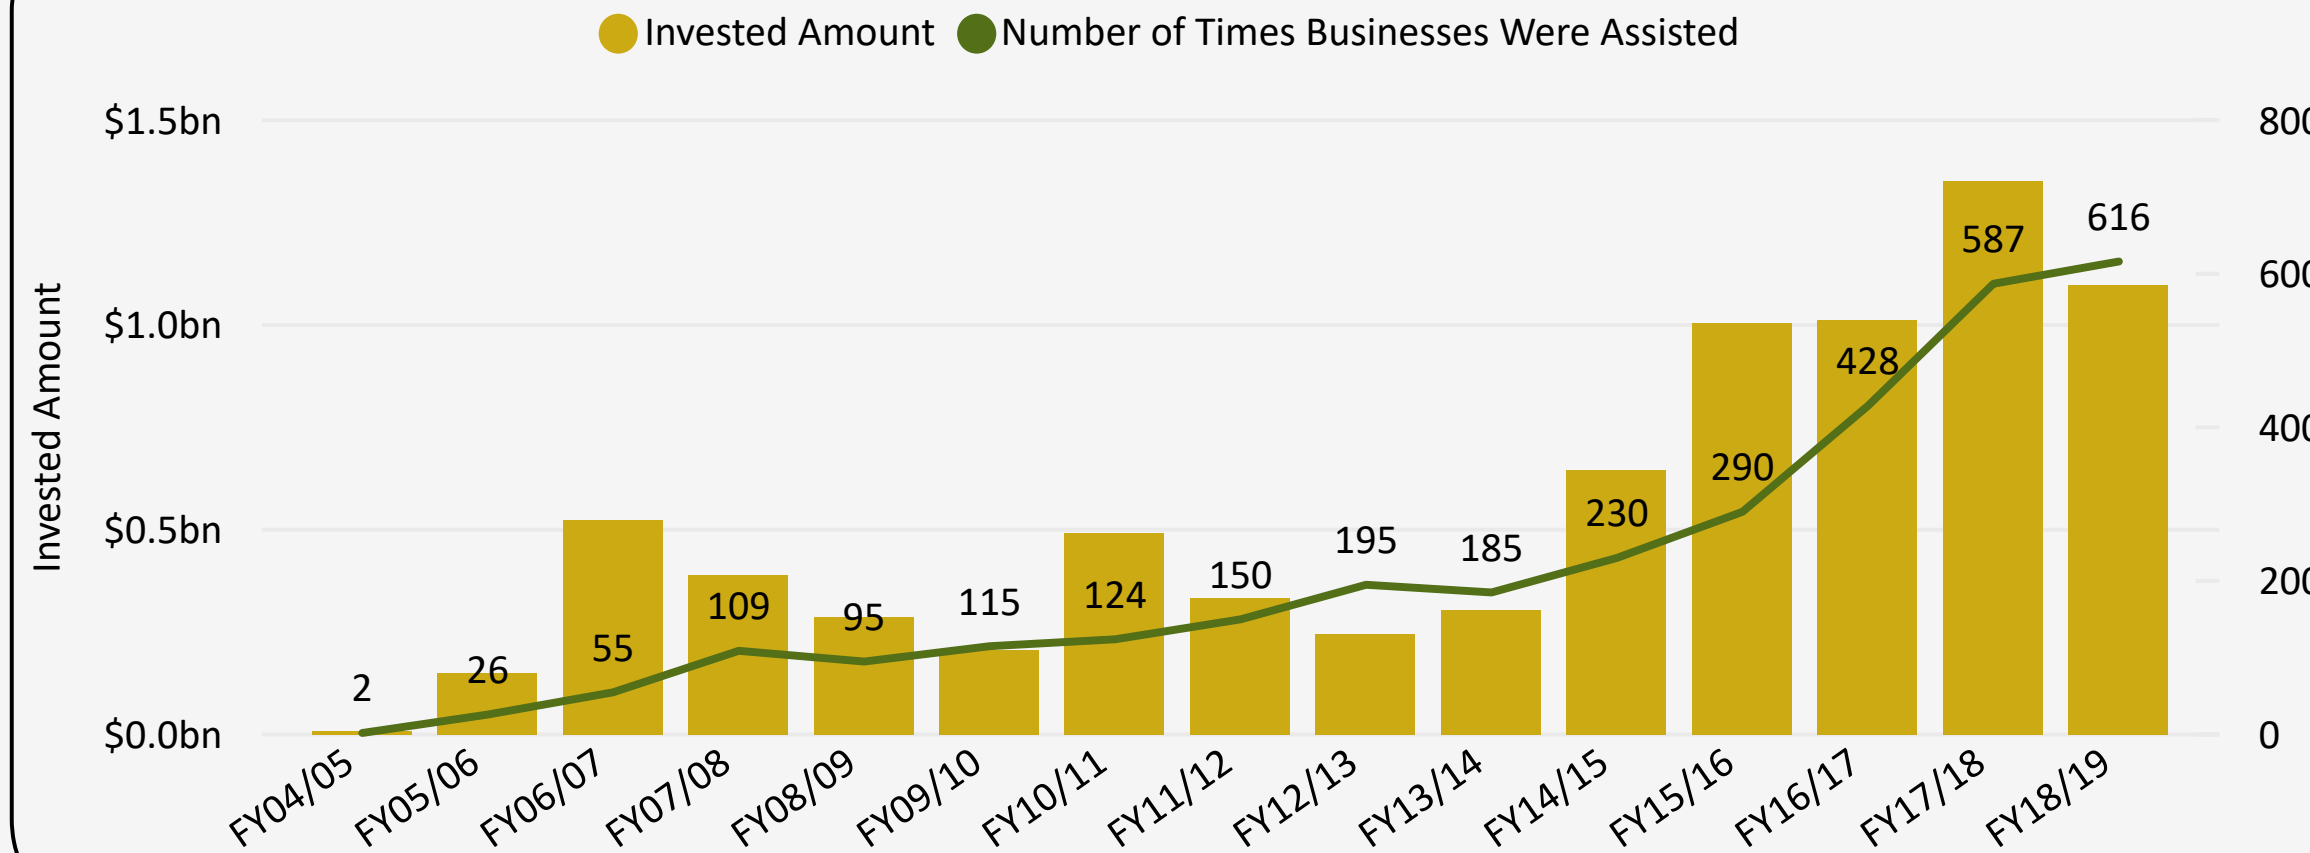

Number of businesses assisted to date

1490

Number of limited partners who may benefit from the
programs via tax concessions to date

5755

Number of times businesses were assisted and the total amount they were helped

Foreign capital has contributed 50% of program
committed capital to date

Notes

- * Data is from submitted quarterly and annual returns for ESVCLP and VCLP partnerships as at the date of publishing up to and including 30/6/2019 unless otherwise stated. Figures may vary from previously published data for the same time period
- * All currency figures stated are in Australian dollars
- * For number of registrations, a partnership is counted at each registration point and may thus be represented more than once
- * For number of limited partners, an entity may be counted more than once if it has contributed to more than one fund or if the name is not reported consistently
- * For number of businesses, an entity may be counted more than once if the name is not reported consistently
- * Limited partner data was not collected prior to FY 09/10
- * More detailed data for sectors and limited partner types was collected from FY 18/19 onwards
- * Investments with blank reported sectors have been removed

Glossary

- * ESVCLP refers to Early Stage Venture Capital Limited Partnerships, VCLP refers to Venture Capital Limited Partnerships
- * Conditional registration and (full) Registration requirements for ESVCLPs and VCLPs are defined in the [Venture Capital Act 2002](#)
- * Sectors are based on ANZSIC divisions sourced from www.abs.gov.au
- * Invested amount means the amount invested into businesses, includes initial and follow on investments
- * Regions categories are sourced from <https://restcountries.eu>

More Information/Feedback

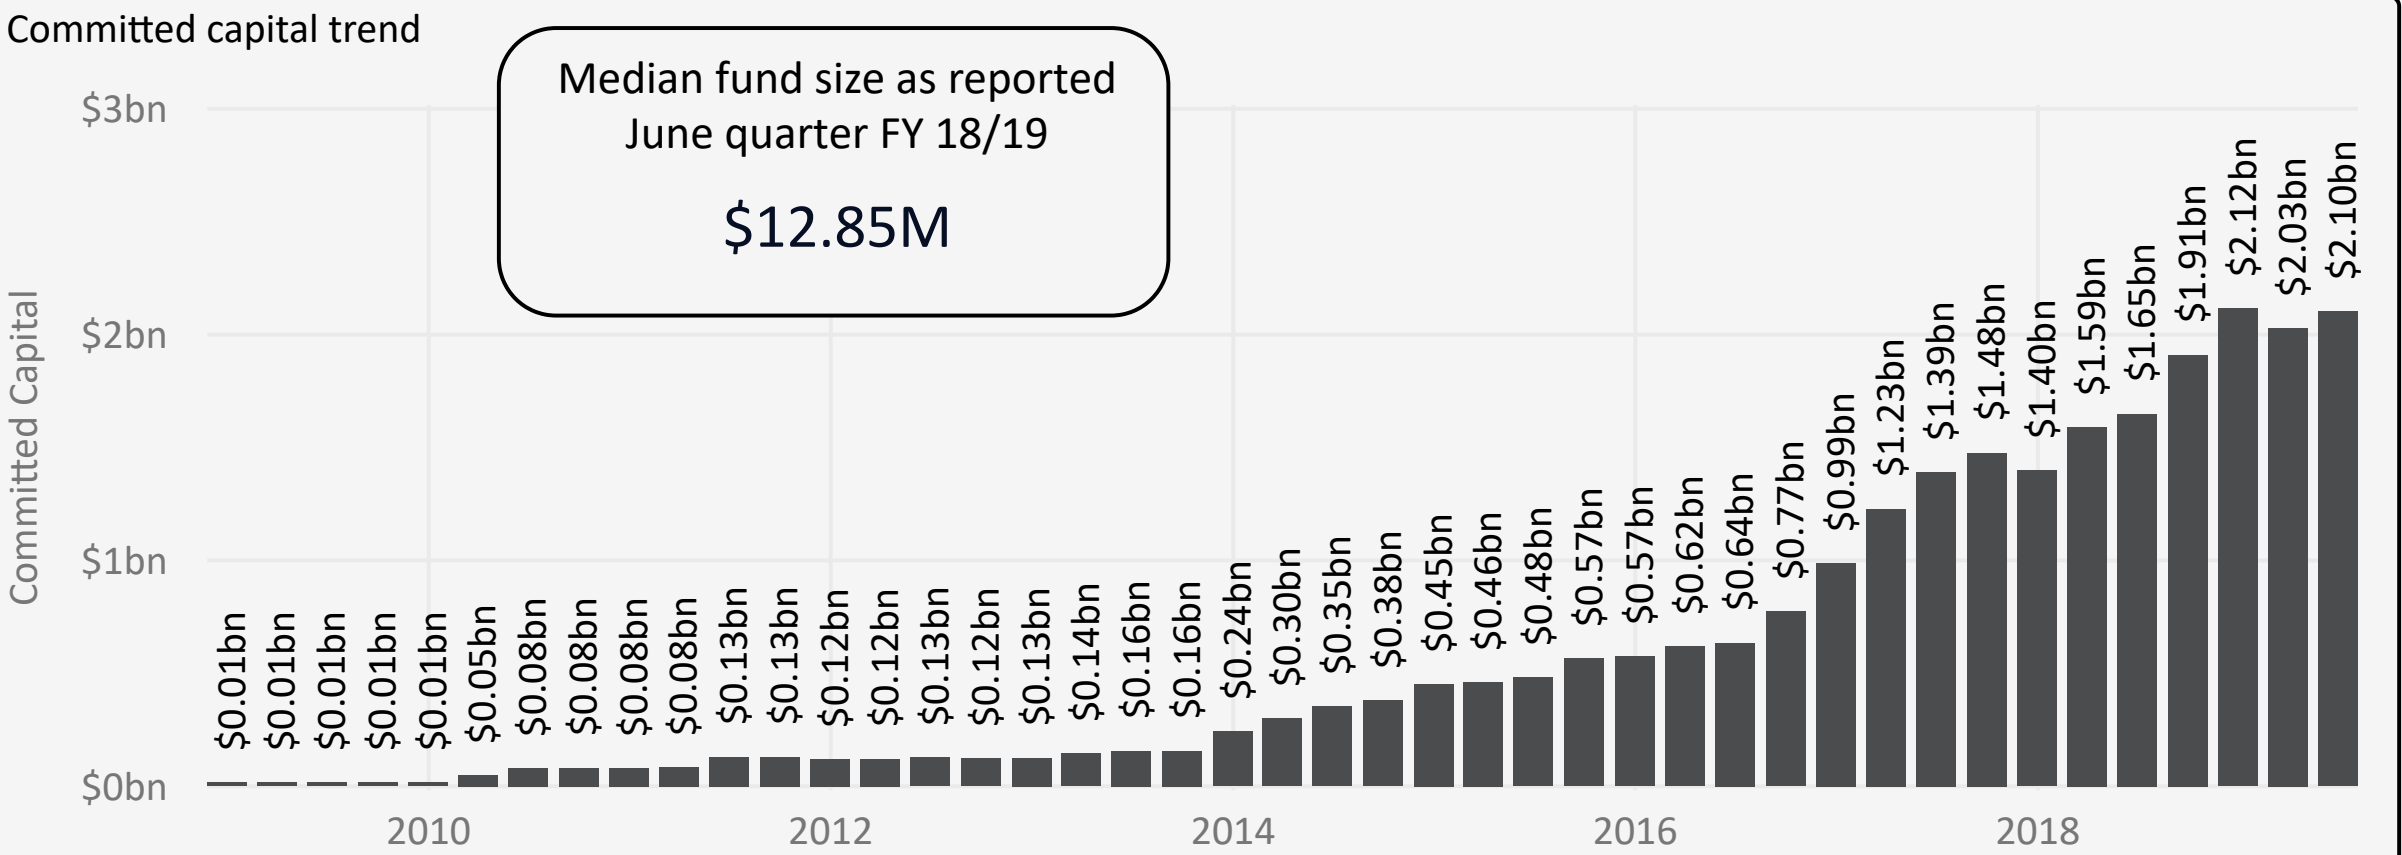

- * For more information refer to www.business.gov.au
- * To provide feedback or receive assistance with this document email venturecapital@industry.gov.au
